
 Max Krasnow

Department of Psychology
 University of California
 Santa Barbara, CA 93106

Email: krasnow@psych.ucsb.edu

 Education

- 2003 – Present Doctoral Program – Developmental and Evolutionary Psychology;
 University of California, Santa Barbara
- 1999 – 2003 Bachelor of Arts – High Honors with Distinction in Psychology;
 University of California, Santa Barbara

 Departmental Service

- 2005 – 2007 Technology Committee
- 2004 Advisor to Subject Pool Committee
- 2003 – 2004 Prescreening Coordinator
- 2002 – 2003 Undergraduate Affairs Committee, undergraduate representative

 Service to Academic Journals

- 2004-present Journal of Evolution & Human Behavior, reviewer

 Academic Awards, Fellowships and Honors

- 2005 NSF Graduate Research Fellowship, Honorable Mention
- 2004 NSF Graduate Research Fellowship, Honorable Mention
- 2003 – 2008 University of California Graduate Regents Fellowship
- 1999 – 2003 University of California Undergraduate Regents Fellowship
- 1999 – 2003 UCSB Letters & Sciences Honors Student
- 2000 – 2003 UCSB Dean’s List Honors, 8 quarters
- 2000 – 2003 UCSB Psychology Honors Student
- 2001 – 2003 Psi Chi member, chapter Treasurer and President

2003 UCSB Academic Excellence Award

2003 UCSB Psychology Department Chairperson's Award

Graduate Research Grant Support

2005-2007 NIH Director's Pioneer Award to Leda Cosmides

Teaching Assistant Experience

Administrative Teaching Assistant

Evolution and Cognition

University of California, Santa Barbara; Winter 2006

Modern Approaches to Psychotherapy

University of California, Santa Barbara; Fall 2004

Motivation (from an evolutionary perspective)

University of California, Santa Barbara; Spring 2005

Laboratory Section Discussion Leader / Teaching Assistant

Introductory Statistics for Psychology

University of California, Santa Barbara; Spring 2004, Summer 2004, Winter 2005, Fall 2005

Research Methods

University of California, Santa Barbara; Summer 2007

Publications

Krasnow, M. M., Truxaw, D., New, J., Gaulin, S. J. C. (2007) Response to Brumfiel et al.'s Shopping for Explanations. *Science*, 318 (5851), 745b.

New, J., Krasnow, M. M., Truxaw, D., Gaulin, S. J. C. (2007). Spatial adaptations for plant foraging: women excel and calories count. *Proc. Royal Soc. B*, 274 (1626), 2679-2684.

Truxaw, D., Krasnow, M., Woods, C., & German, T.P. (2006). Conditions under which function information attenuates name extension via shape. *Psychological Science*, 17 (5), 367-371.

Unpublished Manuscripts

Delton, A. W., Krasnow, M. M., Tooby, J., Cosmides, L. (in progress). A cue-theoretic approach to cognition.

Krasnow, M., Cosmides, L., & Tooby, J. (in progress). Trust, Reciprocity and Punishment: Adaptations for Small Scale Cooperation.

Krasnow, M. (Undergraduate Honor's Thesis, 2003). *Is there a social working memory?* Unpublished honor's thesis, University of California, Santa Barbara.

Conference Presentations

Krasnow, M. M., Truxaw, D., New, J., & Gaulin, S. J. C. (2007). Foraging Adaptations in Spatial Cognition: Toward a cognitive model. Paper presented at the annual meeting of the *Human Behavior and Evolution Society* in Williamsburg, VA.

Krasnow, M. M., Truxaw, D., New, J., & Gaulin, S. (2006). Cognitive adaptations for foraging: female spatial advantage. Poster presented at the annual meeting of the *Human Behavior and Evolution Society* in Philadelphia, PA.

Krasnow, M. M., Truxaw, D., New, J., & Gaulin, S. (2005). Parsing the Silverman & Eals task: Correlations with spatial orientation, navigation and foraging-scale object location memory. Poster presented at the annual meeting of the *Human Behavior and Evolution Society* in Austin, TX.

Gaulin, S. J., Krasnow, M., Truxaw, D., & New, J. (2005). An ecologically valid foraging task yields a female spatial advantage and significant content effects. Paper presented at the annual meeting of the *Human Behavior and Evolution Society* in Austin, TX.

Krasnow, M. M., Cosmides, L. C., & Tooby, J. (2005). Character counts: Character information regulates trust in economic games. Paper presented at the annual meeting of the *Human Behavior and Evolution Society* in Austin, TX.

Truxaw, D., Krasnow, M.M., New, J., & Gaulin, S. J. (2005). An ecologically valid task yields a female spatial advantage and content effects. Poster presented at the annual meeting of the *American Psychological Society* in Los Angeles, CA.

Krasnow, M. M., Cosmides, L. C., & Tooby, J. (2005). Character effects on the extension of trust in games for money. Poster presented at the annual meeting of the *American Psychological Society* in Los Angeles, CA.

Truxaw, D., Krasnow, M. M., Wertz A. E., Niehaus, J. L., Hehman, J. L., Roarty, M. P., & German, T. P. (2005). A Critical Analysis of the Effect of Creator's Intent on Name Extension. Poster presented at the annual meeting of the *Society for Research in Child Development* in Atlanta, GA.
