- Biopsy Lab (F or W or S)

### 4th Year

- Biopsy Lec #4
  - (MCDB 108A or 110 in S)
- Biopsy Lec #5
- Biopsy Lec #6

### Notes:

- **Biopsy Major Requirements** = Bold
- **Pre-med Requirements** = (Parentheses)
- Elective units in schedule = __________
- Fill spaces with:
  - Double major classes (If Pharmacology B.S., plan to take MCD 126L as your Biopsy lab)
  - Minor classes
  - General Education requirements
  - Free-choice classes

- **PSY UD: 106** is open to pre-major students. This course is a prerequisite for **PSY 111**, which is only offered in the fall (and summer) to full-major students.

- **PSY UD: 106** (4 units) must be taken to “unlock” **PSY 111**, 8 units remain to satisfy this major requirement.

- The **PSY UD** requirement asks for 12 units of upper-division PSY electives. These can be fulfilled by any of the following:
  - PSY 100-109 courses (open to pre-majors)
  - PSY 110+ courses (full majors only)
  - PSY 196/197ABC/199P/199

- Since **PSY UD: 106** must be taken to “unlock” **PSY 111**, 8 units remain to satisfy this major requirement.

### Key:

- Pre-med Requirements = (Parentheses)
- Elective units in schedule = __________

### Fill spaces with:
